Big concept

Bring the attention of your audience over a key concept using icons or illustrations

You can also split your content

White

Is the color of milk and fresh snow, the color produced by the combination of all the colors of the visible spectrum.

Black

Is the color of coal, ebony, and of outer space. It is the darkest color, the result of the absence of or complete absorption of light.
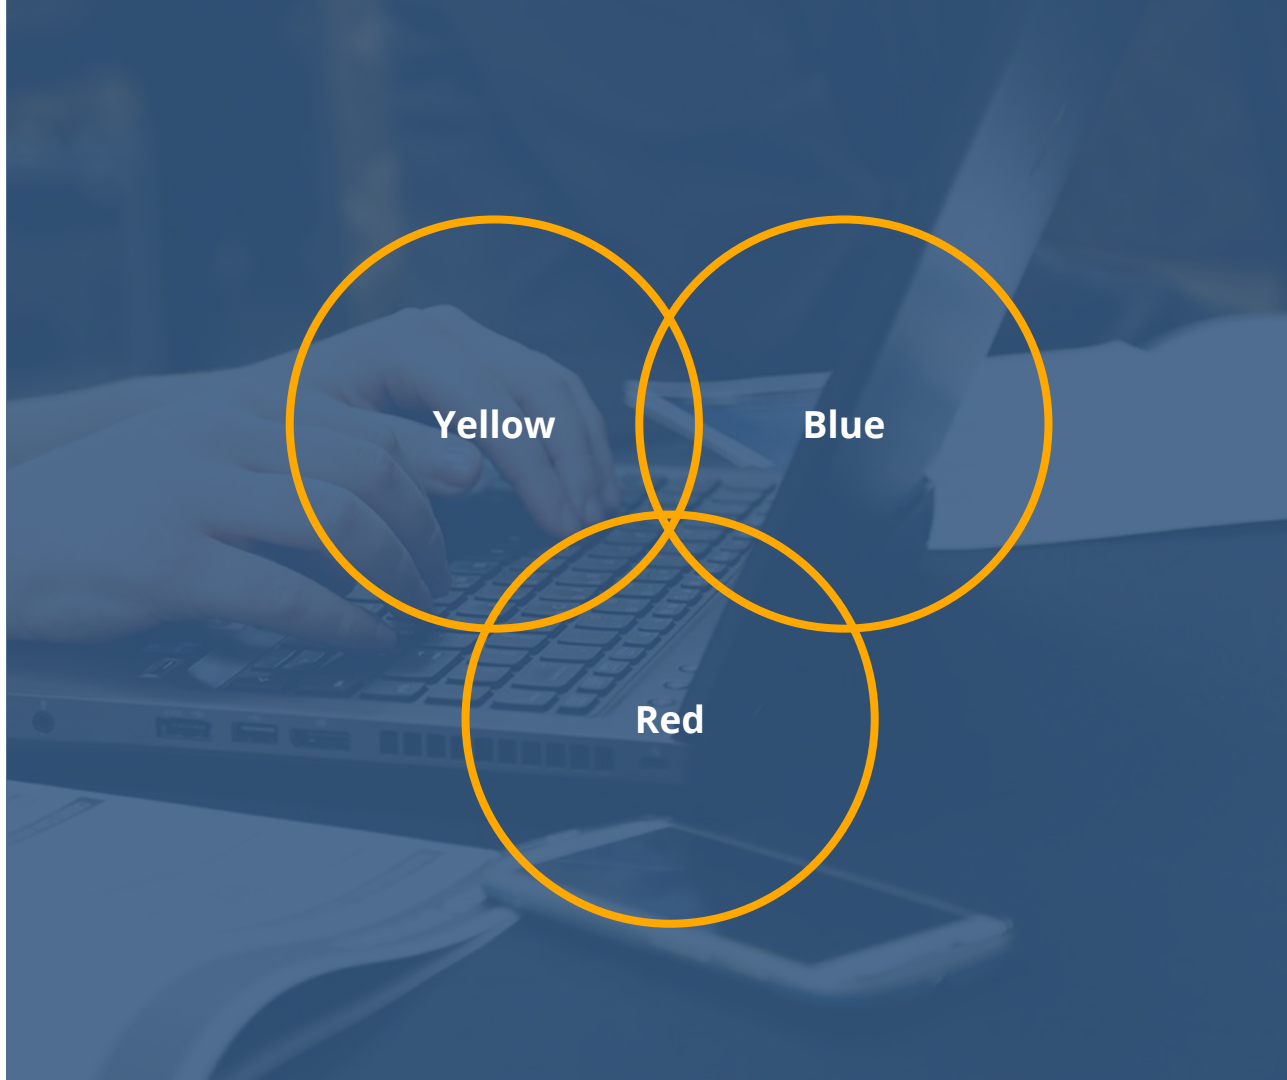

A picture is worth a thousand words

A complex idea can be conveyed with just a single still image, namely making it possible to absorb large amounts of data quickly.

Presentation design

This presentation uses the following typographies and colors:

- Titles: Merriweather
- Body copy: Open sans

You can download the fonts on these pages for free:

https://www.fontsquirrel.com/fonts/merriweather

https://www.fontsquirrel.com/fonts/open-sans

- Yolk Yellow **#ffa800**
- Navy Blue **#294667**

You don't need to keep this slide in your presentation. It's only here to serve you as a design guide if you need to create new slides or download the fonts to edit the presentation in PowerPoint®
SlidesCarnival icons are editable shapes.

This means that you can:
- Resize them without losing quality.
- Change line color, width and style.

Isn't that nice? :)

Examples:

25

Now you can use any emoji as an icon!
And of course it resizes without losing quality and you can change the color.
